AIDS Project of Southern Vermont

Greetings ... 2021 was another year of upheaval and uncertainty, in which the AIDS Project continued to fulfill its service mission despite considerable challenges. COVID-19 continued to dog our heels with good news/bad news cycles. As always, we prioritize the fact that our clients are at higher risk for infectious disease, and continued to practice caution and care in our face-to-face interactions — if we move slower than other places in returning to “business as usual,” we feel it is warranted, to protect the health and wellbeing of the clients who have placed their trust in us.

We continued to provide food program services (in person, curbside pickup or home delivery) through 2021 and visited clients hesitant to leave their homes. Late in the year, we received the green light to re-open HIV and Hepatitis C testing. We also expanded our Syringe Services Programming with mobile delivery and enhanced outreach efforts. This is truly unprecedented times for rapid change!

2022 will see more changes — a new case manager in Brattleboro, addition of an overdose outreach worker position in Bennington; new members on the board of directors (Cheryl Duby, Kyle Hamilton, and Paulee Mekdeci); and the departure of Karen Peterson as executive director at the end of the year.

We will adapt to change, and continue to place clients at the center of our work.

Sincerely,

Shawn E Bracebridge

Expanding Services: Thanks to funding from the Vermont Department of Health, we now have a van to provide mobile harm reduction services.

Holiday Cheer:

Veronica Wheelock continued her annual tradition of spreading holiday joy by creating gift bags for clients.

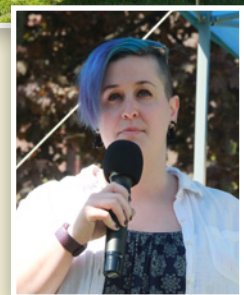

Giving Back:

Lama Tomás on behalf of Bob T. supported our syringe services program outreach efforts with a donation of gift cards.

2021 YEAR IN REVIEW

Annual AIDS Walk: On May 15, at our 34th Walk, community members joined us as we honored women and girls living with HIV, remembered those we have lost, and celebrated Graham Gordon. • Maeve Burke and Linda Gordon honored Linda’s late husband, Graham who helped establish the AIDS Project in 1988. • The beautiful voice of Katy Peterson (of The Harmony Lot) and the powerful poems of Lynn Martin set the tone for this special event.

World AIDS Day: On December 1, we showed our support for people living with and affected by HIV and remembered those who lost their lives to AIDS.
